Re: Waiver Request in reference to Docket #02-6

I am submitting this waiver request to the FCC in reference to Docket #02-6. The waiver is requesting the FCC to waive the 486 service start date and restore it back to July 01, 2004. This waiver request is consistent with the Alaska Gateway Clerical & Administration Order issued September 2006. The waiver request is being requested for:

471 Application #421982
FRN 1198657
Site Entity #231018
Billed entity #228475
Billed entity name – Southern California Tribal Chairmans Library Association (SCTCA)
FCDL dated Jun 28, 2005 (Funded late, Revised FCDL.)

All of the entities associated with this billed entity had a FCDL issued on July 20, 2004 as Not Funded; due to USAC not being able to verify the eligibility of the Libraries that were located on Indian reservations. The Not Funded decision was appealed and a waiver was issued to correct/revise the FCDL to fund on June 28, 2004. In the midst of all this confusion the individual that was responsible for invoicing our USAC customers was transferred to a new person, and the individual responsible for handling all the SCTCA's USAC data was let go and the new person had no transfer of information so there were a lot of holes in information and a significant amount of time to get up to speed on her own. While all of this was going on 486's needed to be filed and there was confusion on the service start date for Site entity # 231018, Mesa Grande Branch, FRN 1198657. The form 486 was, in error, submitted with a service start date of December 01, 2004 and the service start date should have been July 01, 2004. The date of initial installation for this site was October 2003 so there was no need for laps in service from July 01, 2004 to December 01, 2004, simply misinformation I data available. This clerical error was not identified until August 2006.

In Summary I am requesting the FCC to grant a waiver for FRN 1198657 to move back the service start date to July 01, 2004 allowing me to submit an invoice to USAC for the funds for this 5 month period of service. I would greatly appreciate your consideration of this waiver request. If you require further information or have additional questions please feel free to contact me via email rrasmussen@drs-tsi.com or office phone 406-883-8539 or cell phone 406-270-7285.

Regards
